The screenshot shows a web form titled "What is your fundraising target?". At the top, there is a text input field with a dollar sign icon and the number "500". Below this, there are four buttons: "\$500" (highlighted in blue), "\$750", "\$1,000", and "\$5,000". Under the buttons, it says "Number of children your fundraising will feed: 19" followed by 19 small blue stick figure icons. A yellow banner with an information icon contains the text "Remember, this is just a target, all funds go to feeding the children!". At the bottom of the form is a blue "Continue" button. The footer of the page includes the Mary's Meals USA logo, contact information, a list of links (Contact Us, Work For Us, Our People, Resources, My Account, Terms of Use, Safeguarding, Privacy Policy, Fraud Awareness, Cookie Policy), social media icons for Facebook, Twitter, Instagram, and YouTube, and a partial view of a campaign graphic on the right that says "It costs \$25 to feed a child school".

- 7 Next, you will need to give your Fundraiser a Name. The great thing about this, is that if you need some help with generating a title, Click "Add Some Mary's Meals Magic"

The screenshot shows a web form titled "What will we call your Fundraiser?". At the top, there is a blue navigation bar with links for Home, Fundraising (active), Donations, Account Settings, and Logout. Below the navigation bar, a blue banner says "You're starting a fundraising project!". The form has a progress bar at the top. The first section is titled "What will we call your Fundraiser?" with the instruction "Clearly state what the fundraiser is for - keep it short and simple." Below this is a text input field containing "Rodriguez Family Fundraising for Mary's Meals". A yellow button with a magic wand icon and the text "Add Some Mary's Meals Magic" is positioned below the input field. The second section is titled "What's your message to potential sponsors?" with the instruction "Tell us about you and your fundraising. This will help supporters." Below this is a large text area for a message, which is currently empty. A small red information icon is in the top right corner of the text area.
